Council viewed papers on testing of all of the wells which supply the City's water. All passed safe except one. Steps are being made to clear the well up.

Bills were reviewed & agreed to pay except the telephone bill ~~was~~ which needs to be investigated. The bill increased from \$1.73 to \$22.50.

The Council passed the paving of a concrete slab at the community building play ground for a basketball court.

A weed eater was voted on to be bought for keeping right ~~side~~ of roads clear.

A group of Coon hunters wanted to use our community building for their meeting. The Council voted no since its not a local group.

The fire truck didn't get its rating because the pump didn't have enough pressure.

Mayor Russell Plumble
Clerk J. Morgan.
